**DECLARATION OF LORI DUNHAM
IN SUPPORT OF CONSOLIDATED PETITIONS UNDER 37 CFR §1.183 TO WAIVE
CERTAIN EXPRESS MAIL FILING PROCEDURES UNDER 37 CFR §1.10 AND
PETITION FOR CORRECTED FILING DATE PURSUANT TO CFR §1.10**

1. I am employed as a paralegal at the law office of Rosenbaum & Associates, P.C. I assisted David G. Rosenbaum, the attorney of record in the above-identified patent application, in the filing of the above-identified patent application.

2. On December 19, 2001, Mr. Rosenbaum provided me with a final version of the above-identified patent application at approximately 10:34 p.m. for completion of all patent application correspondence. I finalized the patent application correspondence, including the patent application transmittal documents, return receipt post card and filing fee at approximately 10:41 p.m. as represented by the time stamp on the directory listing for file PH00GE.dbt, which is the data file for the firm's PTO form program "IP Legal Forms" that corresponds to Matter No. 6037-001 prepared on December 19, 2001, and which is attached hereto as Exhibit 1.

3. After completion of all patent correspondence, I provided the documents to Mr. Rosenbaum for review and signature.
4. After reviewing and signing all documents, Mr. Rosenbaum returned all documents to me for completion.
5. I then photocopied all necessary documents, verified each document was in place and correctly identified on the return receipt postcard, placed the documents into separate envelopes and placed the correct amount of postage on each package. I completed the Express Mail filing packages for both the above-referenced patent application and a corresponding PCT International Application at approximately 11:30 p.m. and gave both packages to Mr. Rosenbaum to be transported to the U.S. Post Office at 433 West Harrison in downtown Chicago, Illinois.
6. Mr. Rosenbaum left the offices of Rosenbaum & Associates, P.C., accompanied by Ms. Laura Molter at 11:30pm.
7. On January 14, 2002, the Return Receipt postcard, a copy of which is attached hereto as Exhibit 2, was received in the office of Rosenbaum & Associates, P.C. The postcard indicated that the application had been accorded a filing date of December 20, 2001. I brought this to the attention of Mr. Rosenbaum.
8. As of January 14, 2002, we had not received the sender's copy of the Express Mail mailing label from the U.S. Postal Service, therefore, I tracked Express Mail Label No. EL 412126401US with the USPS web site www.usps.gov and ascertained that the subject patent application was accepted at 12:23 a.m. on December 20, 2001 at Chicago, IL 60607 and arrived on December 26, 2001 at ZIP code 20096. I noted that this information appeared inaccurate as the Express Mail was addressed to the Commissioner at ZIP code 20231.

9. Mr. Rosenbaum checked the U.S. Post Office web site which indicates that there is no assigned zip code 20096, which is listed as the delivery address of the subject patent application.
10. After waiting for the USPS records to be correctly updated, on January 24, 2002, Mr. Rosenbaum ordered an official receipt from the USPS via its web site www.usps.gov which was delivered via facsimile on the same date. The official receipt indicates that the USPS was unable to locate any delivery information in their records corresponding to Item Number EL412126401US.
11. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

PETITIONS OFFICE

1. I am employed as the Office Manager at the law office of Rosenbaum & Associates, P.C.
2. I witnessed David G. Rosenbaum, the attorney of record in the above-identified patent application, in the filing of the above-identified patent application.
3. On December 19, 2001, I departed the offices of Rosenbaum & Associates, P.C. accompanied by Mr. Rosenbaum and drove to the United States Post Office at 433 West Harrison in Chicago, Illinois. The distance from the office to the U.S. Post Office is approximately 2.5 miles and traverses downtown Chicago.
4. Mr. Rosenbaum and I arrived at the U.S. Post Office at approximately 11:45 p.m. and Mr. Rosenbaum proceeded inside the Post Office, while I remained in the car.
5. Upon his return to the vehicle, Mr. Rosenbaum related that there had been an extremely long line of approximately 20 -25 people with Holiday packages and

that it had been impossible for him to deposit the Express Mail packages with a postal employee prior to 11:59pm and that he had, therefore, deposited both Express Mail packages in an Express Mail drop box. Mr. Rosenbaum further noted that the time of his deposit in the drop box was 11:51pm. according to his wristwatch.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
